

# SIGNATURE EVENT CONNECTICUT'S OLD STATE HOUSE ANNUAL BIRTHDAY CELEBRATION

On May 13, 1796, Connecticut's Legislature held its first session in their newly-constructed Hartford State House. Connecticut's Old State House is iconic in the City of Hartford and one of the first buildings named a National Historic Landmark in December 1960. Throughout the years, this building has been threatened with destruction, but we celebrate its beautiful legacy and important connections to history annually. Our yearly birthday celebration includes FREE admission to the public, a concert on our lawn, delicious birthday cake, and a Spring Market featuring Connecticut-made vendors, crafters, and food trucks.
