

# **SIGNATURE EVENT** **THE CONNECTICUT DEMOCRACY CENTER AWARDS**

The Connecticut Democracy Center (CTDC) hosts the premiere Connecticut Democracy Center Awards in the late winter each year to pay tribute to community, business, and philanthropic leaders. CTDC established this awards gala to celebrate Connecticut residents committed to strengthening democracy through acts of citizenship, service, and community engagement. Guests enjoy an inspirational and moderated conversation on how our award winners found their passion for community and civic engagement. Guests also enjoy a champagne toast while networking with business professionals, educators, and community leaders equally committed to improving the quality of life in Connecticut.
